

TEAMWEAR 2016/17

CONTENTS

Umbro is not a brand for the superficial or faint of heart. We represent all levels of the game, understanding that success can come from backs to the wall or breathtaking skill. Umbro has been at the heart and soul of football since 1924. With more than 92 years in the game, we've experienced all the highs and the lows football has to offer, yet our commitment has never wavered. Today the double diamond is worn with pride and passion the world over – from the Premier League to the Campeonato Brasileiro – and every place in-between. Umbro founder Harold Humphreys believed that style was a performance advantage – if you look smart, you play smart – a belief we retain today, combining stylish and technical kits with a professional service for all our teams.

Umbro Teamwear. Wear with pride. Play with passion.

CARING FOR YOUR KIT

Umbro's commitment to the very highest standards in performance apparel means that our kits are not only technologically advanced but also resilient.

Included here are a few advisory notes intended to help you to preserve the life and colour of your kit.

- All garments may be subject to some discolouring as of general wear and only partially washed off mud and grass.
- Follow garment care labels to minimise any colour loss or change.
- Try to avoid leaving kit bundled together and scrunched up when damp.
- Do not overfill washing machines as dirt can re-deposit causing discolouration.
- After use, soak in warm water with appropriate (non-chlorine bleach based) detergent for approx 2 hours prior to washing in machine. This will help in removal of stains and reduce the chance of colour loss.
- Umbro will not accept liability for any discolouration derived from foreign elements other than those used in the manufacturing of the material.
- Washing above 40 degrees or tumble drying garments/applications will seriously damage the products. Umbro will accept no liability should damage occur as a result.

FOOTBALL SIZE GUIDE

The first step in purchasing a football is determining the proper size for your age group. Many football leagues have different size requirements, so be sure to check with your organization to find out which is the proper size for the age group that the ball will be used with.

Football for match use come in three different sizes which range from size 3 to size 5.

SIZE 3

- Size 3 balls are the smallest and are generally used for children under the age of 8.
- Size 3 balls generally weigh between 310-340 grams with a circumference of 58-61 cm.

SIZE 4

- Size 4 balls are used for players between the ages of 8-12.
- Size 4 balls generally weigh between 340-368 grams and have a circumference of 63-66 cm.

SIZE 5

- This is the international standard match ball for all ages 12 and older, including all adult play.
- The size 5 ball generally weighs between 396-425 grams with a circumference of 68-71 cm.
